My Taos

Designer Sergio Bicego
Produzione / Production year: 1999 - Restyling 2018

Descrizione

My Taos è il progetto di divano che meglio spiega l'identità Saba. Il lavoro di restyling si è basato sui quattro principi cardine dell'azienda: la memoria, il confort, il design e la poesia. La memoria la si ritrova nel nuovo My Taos nella fedeltà al progetto originale mantenendo lo scorrimento in avanti e indietro dei pouf. Il confort ha riparametrato altezze e migliorato l'ergonomia con l'uso di materiali di ultima generazione. Il design ha ridisegnato nuovi tavoli d'appoggio funzionali e nuovi cuscini cilindrici d'appoggio. La poesia ha arrotondato le forme, smussato spigoli, addolcito le linee. My Taos è il tuo-nostro divano che spiega come un'idea eccellente non si consuma con la fragilità del tempo. Completamente sfoderabile.

Struttura - Imbottitura

Schienale in acciaio imbottito con poliuretano espanso e memory. Superiormente materassino in piuma d'oca rivestito con tessuto di cotone 100%.

Le sedute sono realizzate in legno con anima in poliuretano espanso e memory, materassino superiore in piuma d'oca con fodera in cotone al 100%.

I cuscini dello schienale sono imbottiti con Mollapiuma (50% piuma e 50% fibra dacron DuPont) con fodera in cotone al 100%. Il cuscino cilindrico ha l'anima in poliuretano espanso con inserto in metallo verniciato nero e rivestimento in fibra poliestere.

Piedini

In legno con tappo antisdrucciolo. Le sedute degli elementi centrali e chaise longue sono dotate di piedi in legno con tappo antisdrucciolo e ruote.

Description

My Taos is the sofa design that best communicates Saba's identity. Its recent redesign is based on the 4 pillars of the company: memory, comfort, design and poetry. My Taos stays true to its original design by maintaining the element of fluidity in the movement of the pouf structures. Improved comfort has redefined the heights of the back structures and improved the ergonomics using the latest generation of materials. This new design has also altered the fold-out side tables and new cylindrical support cushions. The element of poetry in the updated design has rounded the overall form, softening all edges and lines. My Taos sofa epitomizes how an excellent design stands the test of time. Fully removable covers.

Structure - Padding

Backrest steel padded with polyurethane and memory foam. Upper mattress in goose down covered with 100% cotton fabric.

Seats are made in wood with polyurethane and memory foam, upper mattress in goose down covered with 100% cotton fabric.

The back cushions are padded with Mollapiuma (50% goose down and 50% dacron DuPont fiber) covered with 100% cotton fabric. The roll cushion has got polyurethane foam core with black painted metal insert and polyester fiber coating.

Feet

In wood with non-sliding plugs. The seats of central and chaise longue elements are provided with feet in wood with on-sliding plugs and wheels.
