

LETTO
MATISSE
BED

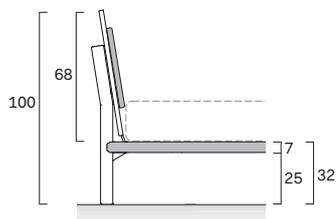

design by e-ggs

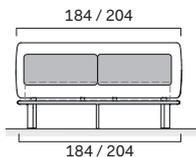

Il letto contemporaneo Matisse si distingue per la sua forte personalità e il design raffinato. La testiera, disponibile anche in versione imbottita, offre un tocco distintivo grazie alla possibilità di avere uno o entrambi i lati sporgenti, ideali per l'integrazione di eleganti vassoi in cuoio che fungono da pratici piani di appoggio.

The Matisse bed conveys a strong personality and adds a distinctive touch. The headboard also comes in a padded version, with one or both sides sticking out, enabling it to accommodate elegant leather trays, which act as bedside tables.
