che non è incluso nel prezzo,
è in finitura Metal Grey

Moduli battente H. 223 - 262 - 296

The image contains two technical drawings of roof trusses, labeled P. 58 and P. 59. Both drawings show a cross-section of a truss with a gabled roof. The truss consists of a central rectangular section and two triangular sections at the ends. The dimensions are given in millimeters (mm).

P. 58: The total width of the truss is 98 mm. The height of the central rectangular section is 38,8 mm. The height of the triangular section is 24,5 mm. The truss is shown with a dashed line indicating the internal structure.

P. 59: The total width of the truss is 117 mm. The height of the central rectangular section is 38,8 mm. The height of the triangular section is 24,5 mm. The truss is shown with a dashed line indicating the internal structure.
